

About Mandarin Class

 **I like...** the song choices

You picked out especially the Jay Chou Song. I hope to be able to sing the song by the end of the class period. I enjoy the Laner eyes 

I wish... 
We can cut the hours shorter because class can be long.

Thanks

See you next time!

About Mandarin Class

I like... Learning about everyday phrases.
It is helpful to get around.

I wish...

I want to learn more vocabulary and
cultural phrases.

Thanks

About Mandarin Class

I like...

The attention I get when working in pairs. It helps me to pronounce each word correctly
I like the lesson!

I wish...

We moved a little slower
so I can understand what is being asked and I can respond

Thanks

About Mandarin Class

Today we learnt more Mandarin words
We talked about foods, attraction places and
many more. I like how we have break in
between. Longan was very delicious!!!!

Thanks

About Mandarin Class

I like...

practicing the conversations with a partner
and ending the lesson with a song. 😊

I wish...

some of the lessons were a bit slower
(I'm slow at learning new languages compare
to others :))

Thanks for the logans 😊
